“A Call to Action”

How would you like to be at an event with hundreds of qualified young people looking for an opportunity to enroll in a program that helps in their next career move. How about the opportunity to increase your recruitment goals?

The Juneteenth Ohio College and career fair may be the event that can help. We are recruiting college and career programs to take part in the 3rd annual College & Career fair during our annual celebration of Juneteenth. The celebration brings out many African Americans & minority students who may be undecided about what they want to do next in life after graduation from high school. Many of the attendees lack access or information about your career program and view your presence as a great opportunity for them to develop and learn a trade to earn good income.

Whatever your challenge is for hiring, recruiting or training today's workforce the Juneteenth Ohio college, and career fair maybe one of your many solutions when it comes reaching out to a population of urban young people in central Ohio

This year we are acting upon what we view as capacity building, by offering a College, and career fair to urban youth in need of becoming more interdependent and self-reliant. The College and Career fair at the Juneteenth Ohio Festival is an excellent bridge that can help make it a reality for our youth.

With your involvement we can prevent many of our youth in central Ohio from slipping through the cracks of life. You are invited to join us in the call to action as we host the 3rd annual colleges, and career fair at the 23rd Annual Juneteenth Ohio Festival. We are going to celebrate African American Independence day with three full days of music, food and family fun!

This event is a great opportunity for you to meet, interview, network and educate the public on your programs success!

Whether you are an employment agency or a career center that trains workers and places people in jobs you too are also invited to attend.

For more information on how to register your business today call now!
(614) 258-4633 or down load the registration and mail in with your fee!

This is a win only partnership!

Sincerely

Juneteenth Planning Committee
